

Experimental Aircraft Association
Chapter 1167, Green Sea, SC
In co-operation with Georgetown Fly-in

BBQ & Fly-in

Date: Nov 6, 2010

Time: 11:30 a.m.

Come one - come all. Ultralights, homebuilts, and all others are welcome as well as those that drive in. This great annual event is Saturday, November 6th so mark it on your calendar. We will start serving BBQ at 11:30 a.m. All proceeds go to support EAA Chapter 1167 and local aviation.

This is the 2nd year that Georgetown Fly-in and EAA Chapter 1167's annual Fly-in's have combined. Gene Baker and John Matthews of GGE will be providing the BBQ with all of the fix-ins provided by EAA Chapter 1167.

Also: Green Sea Airport (S79) is in great condition and ready for your arrival!

See: <http://eaa1167.org> or <http://carolinaus.com> for more info.
